CharmBUG as an LLC

- CharmBUG Organization LLC
 - Sounds official right?
- Goals
 - Provide liability protection.
 - Allows for CharmBUG to host events, in the case we were to hold a conference or something formal in the future
- CharmBUG is now a registered tradename in the State of Maryland.
 - Also trademark (in progress)

CharmBUG as an LLC

- Not much of a difference between 501(c)(3) and LLC
 - At least in my case, you still have to spend the same amount of money
 - Less IRS issues if you make money.

HardenedBSD and LibreSSL

The problems with supporting ports

- Currently run HardenedBSD
- Critical Ports
 - Firefox
 - Libreoffice
 - Sudo?
 - tmux
